Africa Enterprise Trust

Will you become an AET Supporter?

Kids AID sponsors enable a child to receive education and training, either in the community or one of our family homes. You will receive regular updates of the child's progress.

AET Partners help by contributing a regular monthly amount to enable us to run the operation in Africa, including

- develop project and employ local staff
- maintaining and fueling vehicles to take our workers into compounds and rural areas to support vulnerable families
- run the skills training schools
- maintain and staff the two children's homes
